C. Without ESNATECH's prior written consent, LICENSEE may not copy the SOFTWARE for any purpose other than one backup copy. LICENSEE agrees to reproduce on the backup copy all copyright notices of ESNATECH and its third party licensors.

D. LICENSEE shall not, whether through use of disassemblers or any other means whatsoever (including but not limited to manual, mechanical or electrical means), alter, modify, reverse engineer, decompile, disassemble or attempt to generate or access the source code of the SOFTWARE.

E. The use of this SOFTWARE can result in the production of readable features such as documentation, reports, menus, audible prompts, and tone sequences. Such SOFTWARE and features constitute either the copyrighted property of ESNATECH and its third party licensors or the proprietary trade secret information of ESNATECH and its third party licensors, or both, and shall be held in confidence by LICENSEE. LICENSEE understands and agrees that unauthorized disclosure of such information could cause irreparable harm and significant injury to ESNATECH and its third party licensors; accordingly, LICENSEE agrees that ESNATECH shall have the right to obtain an immediate injunction enjoining any such unauthorized disclosure.
