About Interactive Intelligence

Interactive Intelligence (Nasdaq: ININ) is a global provider of enterprise-grade collaboration, communications and customer engagement software and cloud services that help customers improve service, increase productivity and reduce costs. Backed by a 21-year history of industry firsts, 22 patents and more than 6,000 global customer deployments, Interactive offers customers fast return on investment, along with robust reliability and security. The company gives even the largest organizations an alternative to unproven solutions from start-ups and inflexible solutions from legacy vendors. Interactive has been among Software Magazine's Top 500 Global Software and Services Suppliers for 14 consecutive years, has received Frost & Sullivan's Company of the year Award for five consecutive years, and is one of Mashable's 2014 Seven Best Tech Companies to Work For. The company is headquartered in Indianapolis, Indiana and has more than 2,000 employees worldwide. For more information, visit www.inin.com.
