

SYMON COMMUNICATIONS, INC.
SOFTWARE LICENSE AGREEMENT

This is a legal and binding Software License Agreement (“Contract”) between the end user or the end user’s employer, whether an individual or an entity (“You” or “Your”) and SYMON Communications, Inc. (“SYMON”). You may reject the Contract (and return the Media, where applicable) if these terms are unacceptable or cannot be resolved through negotiation.

DEFINITIONS. As used in this Contract, (a) “Software” means the original computer files (including all computer programs and data stored in such files) delivered on the Media, or electronically or embedded in computer equipment as firmware, and all whole or partial copies thereof, including modified copies and portions merged into other programs; (b) “Documentation” means the related hard-copy or electronically reproducible technical and user documents associated and provided with the Software; (c) “Media” means the tangible medium in which the Software and/or Documentation are fixed; and (d) “Product” means collectively the Media, Software and Documentation and all Product maintenance releases and updates provided to You hereunder.

LICENSE. Subject to these terms and Your payment of the applicable fees, SYMON grants You this non-exclusive and, except as expressly authorized herein, non-transferable license (“License”) to install and use the Software on the number of computers and/or devices for which You have purchased Licenses. If the Software is used to transmit information to non-SYMON output devices (monitors, pagers, etc.) or non-SYMON applications, YOU acknowledge and agree that the License is granted on a per display and per application basis, with License fees based upon the number of devices and applications to which the data to be displayed is broadcast. All rights in and to the Product, including but not limited to, copyrights and trade secret rights, belong to SYMON. **SYMON RESERVES ALL RIGHTS NOT EXPRESSLY GRANTED HEREIN.**

COPYRIGHT. Both United States copyright law and applicable international treaties protect the Product and, therefore, You must treat the Product like any other copyrighted material. To the extent expressly permitted by applicable law or treaty, You may copy the Software only for archival and backup purposes, as long as You document the existence of such backup/archival copies. You may also make copies of the Documentation for Your own internal use. Any reproductions, copies, or modifications of the Product must include SYMON’s copyright and other proprietary rights notices. The original and any copies of the Product, in whole or in part, shall at all times remain SYMON’s property.

RESTRICTIONS. The Software represents and embodies trade secrets and confidential information of SYMON. Except in accordance with the terms of this License or as an essential step in utilizing the Software, but only to the extent permitted by applicable law or treaty, You agree (a) not to decompile, disassemble, reverse engineer, or otherwise attempt to derive the Software’s source code from object code; (b) not to rent, lease, sublicense, modify, or otherwise transfer the Software to third parties; and (c) not to make the Software available in any form to any person other than Your employees and contractors whose job performance requires such access; and (d) to use reasonable care and protection to prevent the unauthorized use, copying,

publication or dissemination of the Product. You may fully transfer the Product on a permanent basis to someone outside of Your company, provided: (i) SYMON consents to the transfer in writing; (ii) You keep no copies of the Product, except for archival purposes; and (iii) the recipient agrees in writing to be bound by the terms of this Contract. If any part of the Product has been updated by SYMON, then the transfer must include the most recent update and all prior versions. Unless expressly authorized by SYMON in writing, You may only use each licensed copy of the Software on a single computer to process Your data, not the data of third parties.

TERM AND TERMINATION. Unless terminated according to this section, Your License will be effective for automatically renewable annual terms beginning on the date You purchase the License. You may terminate the License at any time for any reason. The License and Your right to use the Product will terminate automatically with or without notice from SYMON if You fail to comply with any material terms of this Contract. When the License is terminated, You must erase or destroy all components of the Product, including all copies of the Software (except for archival copies), and stop using or accessing the Software. All provisions of this Agreement relating to disclaimers of warranties, limitation of liability, remedies, or damages, and SYMON's confidential and proprietary rights shall survive termination.

LIMITED WARRANTY. SYMON warrants, upon return of the warranted item to the place You obtained it, that: (a) if at any time within the year following delivery of the Product to You, the Media is in a damaged or physically defective condition, SYMON will provide replacements to You at no charge; and (b) if the software fails to substantially conform to the specifications in Your Documentation, and if You report the nonconformity in writing to SYMON (or to Your SYMON reseller) within the year following delivery of the Product to You, then SYMON will either remedy the nonconformity or, in SYMON's sole discretion, refund your License fees to you, in which case, this License and Your right to use the Product will automatically terminate. This sets forth Your **SOLE AND EXCLUSIVE REMEDIES** and the **SOLE BASIS OF WARRANTY LIABILITY** for SYMON, its resellers and licensors.

BECAUSE OF THE RIGHTS SYMON EXPRESSLY GRANTS YOU IN THIS CONTRACT, YOU AGREE THAT SYMON MAKES NO OTHER WARRANTY, CONDITION, REPRESENTATION OR PROMISE. SYMON HEREBY DISCLAIMS AND NEGATES ALL OTHER EXPRESS AND IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE OR FITNESS FOR A PARTICULAR PURPOSE. SYMON DOES NOT WARRANT THAT THE PRODUCT WILL SATISFY YOUR REQUIREMENTS, THAT IT IS WITHOUT DEFECT OR ERROR, THAT ITS OPERATION WILL BE UNINTERRUPTED, OR THAT IT WILL OPERATE IN COMBINATION WITH OTHER SOFTWARE AND HARDWARE USED BY YOU.

EXCLUSION OF DAMAGES AND LIMITATION OF LIABILITY. IN NO EVENT WILL SYMON BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL OR INDIRECT DAMAGES, INCLUDING, WITHOUT LIMITATION, ANY LOSS OF DATA, OR LOSS OF PROFITS OR LOST SAVINGS, ARISING OUT OF USE OF OR INABILITY TO USE THE SOFTWARE OR DOCUMENTATION, EVEN IF SYMON HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN ANY EVENT, SYMON'S TOTAL LIABILITY FOR ALL DAMAGES ARISING OUT OF THIS

CONTRACT, DIRECTLY OR INDIRECTLY, IS LIMITED TO THE PRICE PAID FOR THE LICENSE(S).

INDEMNITY. SYMON shall hold harmless and defend You from all loss, damage and liability for, or by reason of any actual or alleged infringement of any patent, trademark, or copyright arising out of the use or license of the Software, provided that You promptly notify SYMON in writing of such suit or threat thereof and cooperate at SYMON's request, in the defense of such suit or claim. In the event a claim of infringement is made, or SYMON believes that such a claim is likely to be made then SYMON shall at its expense: (a) Procure the right to continue using the Software; (b) replace or modify the software so that it becomes non-infringing; or (c) if neither (a) or (b) above is commercially practical, then, at SYMON's sole option, remove the infringing Software, and issue to You a credit equal to the amount paid by You for that Software, amortized over a 5 year period.

This indemnity shall not extend to any claim of infringement resulting from Your unauthorized modification of the Software, from Your use of the Software in a manner for which the Software is not designed, or Your use or incorporation of the Software with products not provided by SYMON or in a manner not approved by SYMON.

GENERAL. You will not export or re-export any Product without both the written consent of SYMON and the appropriate U.S. and/or foreign government license(s). This Contract shall be deemed to have been entered into in the State of Texas, United States of America, and the rights and obligations of the parties to it shall be governed by the laws of the State of Texas, without regard to its conflicts of law provisions. No revision of this Contract shall be valid unless made in writing and signed by a duly authorized agent or officer of both parties. If the terms of any Attachment, Addendum, Supplement, Product Schedule, or Purchase Order, etc., ("Modification") issued by either party to this Contract are inconsistent with, or attempt to modify, any of the provisions hereof, such terms shall be invalid and of no effect unless: (1) such Modification is in writing; (2) expressly states its intention to modify the provisions hereof; (3) expressly sets forth which provisions are to be modified; and, (4) such modification is executed by both parties. If any part of this Contract is invalid or unenforceable, that part will be construed, limited, modified, or severed, to the extent necessary, to eliminate its invalidity or unenforceability, and the remaining terms will be interpreted to give effect to the intent of the severed provisions. Under local law and treaties, the restrictions and limitations of this Contract may not apply to You; You may have other rights and remedies, and be subject to other restrictions and limitations.

All rights and remedies, whether conferred by this or by any other instrument or by law shall be cumulative, and may be exercised alone or concurrently. Failure or delay on the part of either party to exercise any right, power or privilege hereunder shall not operate as a waiver thereof. Neither party shall be deemed to be in default of any provision of this Agreement, or for any failure in performance, resulting from acts or events beyond the reasonable control of such party. Such acts shall include, but not be limited to Acts of God, civil military authority and disturbance, war, strikes, fires, other catastrophes, or other events beyond the reasonable control of such party. Service of all notices under this Contract shall be in writing and sent by U.S. Certified Mail, Return Receipt Requested to the parties at their respective addresses as the parties

may from time to time designate in writing.
