

# QUICKSTART ENABLEMENT | BUSINESS CONTINUITY

## GET YOUR TRIAL STARTED WITH CONVERGEONE

The COVID-19 pandemic is having unprecedented impact on the entire global economy. Small and mid-sized businesses are being impacted significantly as they face unique resource constraints and a continuously evolving crisis requiring them to protect the health and safety of both customers and employees.

In response, ConvergeOne is offering a significantly discounted 90-day business continuity package for our C1CX Mid-Market cloud service. Delivered on ConvergeOne's enterprise-grade Cisco platform, this service provides comprehensive remote and mobile worker support to keep teams and customers connected during this time of need.
