

GET YOUR TRIAL STARTED WITH CONVERGEONE

Meeting with your customers, clients, users, and partners requires that you are able to share, collaboration, and even be face-to-face. Because sometimes remote work is required to be productive, ConvergeOne and Microsoft have teamed up to offer 6-Month trials of Microsoft Teams. New, Exchange Online Only or Office 365 Business customers can experience Teams hub for teamwork that brings together chat, meetings, and Office 365, all in one place.

Microsoft Teams Trial – No Financial Commitment

For each license assigned to a user in the trial they will receive 2 GB of SharePoint Online storage and the following to experience the full value of Microsoft Teams:

- Exchange Foundation
- Flow for Office 365
- Forms
- Microsoft Planner
- Microsoft Whiteboard
- Microsoft Teams
- Office Online
- PowerApps for Office 365
- Stream
- Up to 1,000 seats
- Desktop and Mobile app experience
- 6-Month duration

ConvergeOne is partnering with LearnIT to offering a Quickstart Program. This Quickstart program will include the following professional services for \$15,000.00.

- Creation of a Rollout Plan
- Deployment of Microsoft Teams and enable users in O365 Admin Portal
- Configure Teams to allow Meetings and Document Collaboration
- Live Instruction by Professional Instructors and Microsoft O365 Experts
- Student Access to Online Manuals
- Student Access to Online Handouts
- Student Certificate of Completion (Optional)
- Applications: Windows 10, Excel, Word, PowerPoint, Outlook, Access, Teams & Planner.
