

GET YOUR TRIAL STARTED WITH CONVERGEONE

Meeting with your customers, clients, users, and partners requires that you are able to share, collaborate, and even be face-to-face. Because sometimes remote work is required to be productive, ConvergeOne and Cisco have teamed up to offer 90-day trials of Webex video-enabled Meetings and Teams Messaging. Message and meet from wherever you are using whatever device you want. Laptop, mobile phone, or video endpoints are all able to connect via Cisco Webex's standards-based platform.

Free Webex Enterprise Trial – No Financial Commitment

For organizations and businesses looking to provide host meeting accounts to employees and require centralized administrative management and reporting capabilities:

- Full featured HD video meetings, content sharing, recording
- Unlimited meeting and webinars with up to 200 participants
- Toll-Dial and VoIP Audio
- Desktop and Mobile app experience
- Webex Teams unlimited messaging
- Analytics and Troubleshooting dashboard
- Device Registration for existing Cisco endpoints
- 90-day duration
- Microsoft Exchange Calendar, Directory Sync, SSO Integration **Requires ConvergeOne Pro Services*
