b) Monet Software warrants that it has the right to grant the License and that the Software will perform substantially in accordance with the Software specifications contained in the user manual for a period of ninety (90) days from the date you receive the Software. g) The waiver by either party of a breach of any provision of the terms and conditions of this Agreement, or to exercise any right or privilege hereunder, shall not be construed as a waiver of such terms, conditions, right or privilege in the future.

h) You warrant that you are free, as of the date you accept this Agreement, of any contractual obligation that would prevent you from entering into this Agreement. You further represent and warrant that the party executing this Agreement is duly authorized to do so and you waive any defense you have, or in the future may have, with respect to the valid and binding execution of this Agreement by an authorized representative.
